

**Addendum No. 2
Essex Commissioner's Office Glass Curtain Wall
Project No. K22-0093-73**

06/15/2022

The purpose of this addendum is to amend and clarify certain portions of the above-referenced solicitation with all prospective bidders/offerors.

Questions:

- Q1.** The curtainwall system will need to be fastened to a suitable and sturdy substrate that will allow the screws to securely anchor and stay in place. The rounded fiberglass sheet around the column will not work. Please confirm whether we should include removing the fiberglass sheet and boxing out the column with fire-rated plywood substrate, drywall, and paint it to match the existing fiberglass wall or if this work will be performed by others.
- A1.** Bidders should not include this work as it will be performed by another vendor.
- Q2.** Please confirm whether we should include the door's electric strike in our bid or if this will be provided by the building's security vendor.
- A2.** No, Bidders should not include the door's electric strike.
- Q3.** Please confirm whether we should include any 110v power or conduits for the security vendor.
- A3.** No, Bidders should not include any 110v power or conduits for the security vendor.

All addenda will be incorporated into the final contract documents and will be binding on all bidders/offerors responding to this solicitation. Each bidder/offeror submitting a bid/proposal must acknowledge receipt of all addenda by completing and forwarding Attachment H (included in bid/proposal package) with the bid/proposal response; failure to acknowledge addenda may result in the bid/proposal rejection.
