Subject: CONNECT Fairs Visited by Hundreds!

Hello CONNECTors,

They have been coming out in droves to view the demonstrations at the CONNECT Fairs! Almost every fair has had triple digit numbers of employees come through. Many of the attendees have driven to other neighboring counties to attend the Fairs.

The remainder of this week we will be in Elkton, MD (Cecil County) on Wednesday and La Plata, MD (Charles County) on Thursday. We strongly encourage every single State Judiciary to do whatever they can to stop by a Fair. On Wednesday in Cecil County, we especially hope to see employees make the trip from Harford, Kent, Queen Anne's, and perhaps even Carroll counties come by. While we are in Charles County on Thursday, we anticipate seeing everyone from Calvert and St. Mary's pay us a visit. Keep in mind, this is for all State Judiciary employees.

Next week we will be hosting the CONNECT Fair in a different location in Baltimore City each day. The final Fair will be at the JECC in Annapolis on Tuesday, 25 August.

Please see the list below of dates and locations for the remaining CONNECT Fairs.

As our CONNECTors - our Change Agents - it is your role to make sure that all are aware of and try to attend one of these CONNECT Fair events. Please forward this to anyone and everyone, and even post a conspicuous notice where others will see it.

Cheers,
The CONNECT Team
