

THE JUDICIAL COUNCIL'S COURT OPERATIONS COMMITTEE

PROPOSED STRUCTURE

PURPOSE

The Court Operations Committee will address matters related to the efficient operations of the courts and assist in the development of consistent state-wide operations policies and best practices.

SCOPE OF ACTIVITY

The Committee's activities will encompass a wide variety of operations within the court system, utilizing a number of focused subcommittees and, as necessary, workgroups. The Committee will oversee and approve the work of the subcommittees and workgroups. The subcommittees are: Jury Use and Management, Court Forms, Case Management, and Courthouse Equity. Various workgroups will meet on an *ad hoc* basis and report directly to the Committee. The workgroups will address such issues as: grants, expungements, court reporters, record retention and other issues deemed appropriate. The Committee, its subcommittees and workgroups will collaborate with other Judicial Council committees as necessary. One of the Committee's goals is to establish better communication between the different levels of the court system to achieve an enhanced coordination of policies and procedures within the judiciary.

SUBCOMMITTEES

NAME: CASE MANAGEMENT SUBCOMMITTEE

NATURE AND PURPOSE

This subcommittee will review and offer recommendations to the Committee and others deemed necessary and appropriate regarding issues arising from the implementation of Differentiated Case Management (DCM), including what events effect case time standards. The subcommittee will review and examine proposed changes to the trial and appellate courts' case time standards, as identified by individual courts and/or jurisdictions or on the subcommittee's own initiative. The subcommittee will forward recommendations for change to the appellate and

trial courts' case time standards to the Judicial Council for further consideration. The subcommittee also will review the extent to which specialty courts and/or dockets impact the ability to achieve established case time standards. The subcommittee may offer recommendations regarding compliance with DCM policies, soliciting input from court administrators and other pertinent court staff. The subcommittee will develop best practices in case management for distribution to the courts.

NAME: FORMS SUBCOMMITTEE

NATURE AND PURPOSE

The subcommittee will be tasked with reviewing and, if necessary, offering suggestions for modifying the various forms used in the District and Circuit Courts, as well as those created and modified by the various Judicial Council committees. It is hoped that the subcommittee will eliminate any inconsistencies between forms in the trial courts and promote standardization, where possible, throughout the jurisdictions. The subcommittee will collaborate with the Court Access and Community Relations Committee to evaluate the usefulness of certain forms being written in a language other than English (e.g. domestic violence forms). The subcommittee may also examine how frequently the public uses the on-line forms and, if necessary, review and suggest changes to the on-line instructions.

NAME: JUDICIAL NEEDS ASSESSMENT WORK GROUP

PURPOSE

This workgroup will provide guidance and oversight throughout the entire life of the Judicial Workload Assessment Project, which is being completed in partnership with the National Center for State Courts. The central component of the Assessment is a time study of both the case-related and non-case-related work of judicial officers across the State, accounting for variations in the complexity of various case types. The JNAW will review all major decisions in terms of study design, time study data collection, and study results.

The JNAW will also coordinate the selection of several groups, each comprised of several judicial officers from across the State, to provide qualitative assessments of the results of the time study, and recommend potential adjustments to the model based on recent statutory changes, personal experience, and efficient and effective practices. Once the work of these groups is completed, the JNAW will convene to review the results and findings from all phases of the study, and reach consensus on a final workload assessment model to be used in determining the need for judicial officers.
