BJA estimates that it will make up to 1,100 local awards totaling an estimated \$83,000,000.

Awards of at least \$25,000 are 4 years in length, and award periods will be from October 1, 2016 through September 30, 2020. Extensions beyond this period may be made on a case-by-case basis at the discretion of BJA and must be requested via GMS no less than 30 days prior to the grant end date.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by statute.

Eligible Applicants:

Only units of local government may apply under this solicitation. By law, for purposes of the JAG Program, the term “units of local government” includes a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state; or, it may also be a federally recognized Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government may be any law enforcement district or judicial enforcement district established under applicable State law with authority to independently establish a budget and impose taxes; for example, in Louisiana, a unit of local government means a district attorney or parish sheriff.

A JAG application is not complete, and a unit of local government may not receive award funds, unless the chief executive of the applicant unit of local government (e.g., a mayor) properly executes, and the unit of local government submits, the “Certifications and Assurances by Chief Executive of Applicant Government”.

Match Requirement: The JAG Program does not require a match.
