Ladies and Gentlemen:

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors who received the RFP. The statements and interpretations contained in the following responses to questions are not binding on the Maryland Judiciary unless the RFP is expressly amended. Nothing in the Maryland Judiciary's response to these questions is to be construed as agreement to or acceptance by the Maryland Judiciary of any statement or interpretation on the part of the offeror asking the question.

1. Question: After a firm is awarded status as a Master Contractor, can that firm add a Manufacturer's Product Line to a functional area that was not originally proposed? For example, can a firm awarded functional area 1A then add a Manufacturer for 1C if that functional area had not been proposed by a Master Contractor?

Response: No, a Master Contractor may only add a product line to each Functional Area that was originally proposed for which the Master Contractor received an award.
