AMENDMENT #1
REQUEST FOR PROPOSALS
PROJECT NUMBER K 10-0073-29
FEBRUARY 22, 2011

This Amendment is being issued to amend and clarify certain information contained in the above named RFP. All information contained herein is binding on all Offerors who respond to this RFP. Specific parts of the RFP have been amended. The following changes/additions are listed below; new language has been underlined (e.g. language underlined) and language deleted has been marked with a ~~strikeout~~ (e.g. ~~language deleted~~).

1. Add - RFP Section 2.4.4A (new) Reporting and Query Environment: PeopleSoft delivers a number of standard reports and the ability to use PeopleSoft Query for ad-hoc data requests by accessing the Enterprise Public Sector/HCM Warehouse . The reports have been reviewed and selected by employees of various functional areas and custom reports needed have been identified. Appendix 33 provides an estimation of what may be needed, along with some areas for possible custom reports. Contractor is to provide the reporting environment., staff access, related configurations and workflows
2. Add the following response requirement to RFP Section 3.2 E: The Offeror shall describe the proposed reporting environment, how reports and workflows will be administered and the model for working with AOC staff to meet the reporting needs. Offeror must also be prepared to provide additional hours of work for the development and/or modification of additional reports or reports-related activities (see TOs for Optional Services).
3. Revise - Attachment J Price Proposal, Table A – add one line each: Disaster Recovery Coordination and Testing Reporting and Query Environment (amended price sheet will be posted)
4. Add – RFP Section 2.6: Contractor shall provide post-production support 60 days after the full ERP system is accepted and in production.

Date Issued: February 22, 2011
