Question and Answer Document #1
Courtroom Bench and Door Refinishing in Essex, Maryland
K12-0076-84F
May 25, 2012

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors. The statements and interpretations contained in the following responses to questions are not binding on the Judiciary unless the RFP is expressly amended. Nothing in the Judiciary's response to these questions is to be construed as agreement to or acceptance by the Judiciary of any statement or interpretation on the part of the Offeror asking the question.

1. Question: The RFP is calling for water-based. Is the current existing finish water, oil or solvent based?

Response: We cannot be certain without testing the benches if they are solvent based or not; however, given their age, we expect that they are solvent/lacquer based.
