MARYLAND RULES OF PROCEDURE
TITLE 16 - COURT ADMINISTRATION
CHAPTER 1000 - ACCESS TO COURT RECORDS

AMEND Rule 16-1008 to add references to the Rules in Title 20, Rule 1-322.1, and federal law and to allow a certain notice to be given electronically, as follows:

Rule 16-1008. ELECTRONIC RECORDS AND RETRIEVAL

(a) In General

(1) Subject to the conditions stated in this Rule, a court record that is kept in electronic form is open to inspection to the same extent that the record would be open to inspection in paper form.

(2) Subject to the other provisions of this Rule, the Rules in Title 20, and any other law or any administrative order of the Chief Judge of the Court of Appeals, a custodian, court, or other judicial agency, for the purpose of providing public access to court records in electronic form, is authorized but not required:

(A) to convert paper court records into electronic court records;

(B) to create new electronic records, databases, programs, or computer systems;

(C) to provide computer terminals or other equipment for use by the public;

(D) to create the ability to inspect or copy court records

through remote access; or

(E) to convert, supplement, modify, or replace an existing electronic storage or retrieval system.

(3) (A) Subject to the other provisions of this Rule, a custodian may limit access to court records in electronic form to the manner, form, and program that the electronic system used by the custodian, without modification, is capable of providing. Subject to the Rules in Title 20, if a custodian, court, or other judicial agency converts paper court records into electronic court records or otherwise creates new electronic records, databases, or computer systems, it shall, to the extent practicable, design those records, databases, or systems to facilitate access to court records that are open to inspection under the Rules in this Chapter.

(B) (i) Subject to subsection (a)(3)(B)(ii) of this Rule and except for identifying information relating to law enforcement officers, other public officials or employees acting in their official capacity, and expert witnesses, a custodian shall prevent remote access to the name, address, telephone number, date of birth, e-mail address, and place of employment of a victim or nonparty witness in (1) a criminal action, (2) a juvenile delinquency action under Title 3, Subtitle 8A of the Courts Article, (3) an action under Title 4, Subtitle 5 of the Family Law Article (domestic violence), or (4) an action under Title 3, Subtitle 15 of the Courts Article (peace order).

(ii) A person who files or otherwise causes to be

placed in a court record identifying information relating to a witness shall give the custodian written or electronic notice whether the identifying information is not subject to remote access under Rule 1-322.1, Rule 20-201, or subsection

(a) (3) (B) (i) of this Rule. Except as may be provided by federal law, in the absence of ~~written~~ such notice, a custodian is not liable for allowing remote access to the information.

(4) Subject to subsection (a) (3) (B) of this Rule and procedures and conditions established by administrative order of the Chief Judge of the Court of Appeals, a person may view and copy electronic court records that are open to inspection under the Rules in this Chapter:

(A) at computer terminals that a court or other judicial agency makes available for public use at the court or other judicial agency; or

(B) by remote access that the court or other judicial agency makes available through dial-up modem, web site access, or other technology.

(b) Current Programs Providing Electronic Access to Databases

Any electronic access to a database of court records that is provided by a court or other judicial agency and is in effect on October 1, 2004 may continue in effect, subject to review by the Technology Oversight Board for consistency with the Rules in this Chapter. After review, the Board may make or direct any changes that it concludes are necessary to make the electronic access consistent with the Rules in this Chapter.

(c) New Requests for Electronic Access to or Information from Databases

(1) A person who desires to obtain electronic access to or information from a database of court records to which electronic access is not then immediately and automatically available shall submit to the Office of Communications and Public Affairs a written application that describes the court records to which access is desired and the proposed method of achieving that access.

(2) The Office of Communications and Public Affairs shall review the application and may consult the Judicial Information Systems. Without undue delay and, unless impracticable, within 30 days after receipt of the application, the Office of Communications and Public Affairs shall take one of the following actions:

(A) The Office of Communications and Public Affairs shall approve the application if it determines that the application does not request access to court records not subject to inspection under the Rules in this Chapter or Title 20 and will not impose a significant fiscal, personnel, or operational burden on any court or judicial agency. The approval may be conditioned on the applicant's paying or reimbursing the court or agency for any additional expense that may be incurred in implementing the application.

(B) If the Office of Communications and Public Affairs is unable to make the findings provided for in subsection (c) (2) (A),

it shall inform the applicant and:

(i) deny the application;

(ii) offer to confer with the applicant about amendments to the application that would meet the concerns of the Office of Communications and Public Affairs; or

(iii) if the applicant requests, refer the application to the Technology Oversight Board for its review.

(C) If the application is referred to the Technology Oversight Board, the Board shall determine whether approval of the application would be likely to permit access to court records or information not subject to inspection under the Rules in this Chapter, create any undue burden on a court, other judicial agency, or the judicial system as a whole, or create undue disparity in the ability of other courts or judicial agencies to provide equivalent access to court records. In making those determinations, the Board shall consider, to the extent relevant:

(i) whether the data processing system, operational system, electronic filing system, or manual or electronic storage and retrieval system used by or planned for the court or judicial agency that maintains the records can currently provide the access requested in the manner requested and in conformance with Rules 16-1001 through 16-1007, and, if not, what changes or effort would be required to make those systems capable of providing that access;

(ii) any changes to the data processing, operational electronic filing, or storage or retrieval systems used by or

planned for other courts or judicial agencies in the State that would be required in order to avoid undue disparity in the ability of those courts or agencies to provide equivalent access to court records maintained by them;

(iii) any other fiscal, personnel, or operational impact of the proposed program on the court or judicial agency or on the State judicial system as a whole;

(iv) whether there is a substantial possibility that information retrieved through the program may be used for any fraudulent or other unlawful purpose or may result in the dissemination of inaccurate or misleading information concerning court records or individuals who are the subject of court records and, if so, whether there are any safeguards to prevent misuse of disseminated information and the dissemination of inaccurate or misleading information; and

(v) any other consideration that the Technology Oversight Board finds relevant.

(D) If, upon consideration of the factors set forth in subsection (c) (2) (C) of this Rule, the Technology Oversight Board concludes that the proposal would create (i) an undue fiscal, personnel, or operational burden on a court, other judicial agency, or the judicial system as a whole, or (ii) an undue disparity in the ability of other courts or judicial agencies to provide equivalent access to judicial records, the Board shall inform the Office of Communications and Public Affairs and the applicant in writing of its conclusions. The Office of

Communications and Public Affairs and the applicant may then discuss amendments to the application to meet the concerns of the Board, including changes in the scope or method of the requested access and arrangements to bear directly or reimburse the appropriate agency for any expense that may be incurred in providing the requested access and meeting other conditions that may be attached to approval of the application. The applicant may amend the application to reflect any agreed changes. The application, as amended, shall be submitted to the Technology Oversight Board for further consideration.

(a) Motion

(1) A party to an action in which a case record is filed, including a person who has been permitted to intervene as a party, and a person who is the subject of or is specifically identified in a case record may file a motion:

(A) to seal or otherwise limit inspection of a case record filed in that action that is not otherwise shielded from inspection under the Rules in this Chapter or Title 20; or

(B) to permit inspection of a case record filed in that action that is not otherwise subject to inspection under the Rules in this Chapter or Title 20.

(2) The motion shall be filed with the court in which the case record is filed and shall be served on:

(A) all parties to the action in which the case record is filed; and

(B) each identifiable person who is the subject of the case record.

(1) Preliminary Shielding Upon Motion

Upon the filing of a motion to seal or otherwise limit inspection of a case record pursuant to section (a) of this Rule, the custodian shall deny inspection of the case record for a period not to exceed five business days, including the day the motion is filed, in order to allow the court an opportunity to determine whether a temporary order should issue.

(2) Shielding Upon Request

If a request to shield information in a case record is filed by or on behalf of a person entitled to request the shielding under Code, Courts Article, Title 3, Subtitle 15 (peace orders) or Code, Family Law Article, Title 4, Subtitle 5 (domestic violence), and the request is granted, or if a request to shield the address or telephone number of a victim, victim's representative, or witness is filed in a criminal action, and the request is granted, a custodian shall deny inspection of the shielded information. The shield remains in effect until terminated or modified by order of court. If the request is denied, the person seeking to shield information may file a motion under section (a) of this Rule.

(c) Temporary Order Precluding or Limiting Inspection

(1) The court shall consider a motion filed under this Rule

on an expedited basis.

(2) In conformance with the provisions of Rule 15-504 (Temporary Restraining Order), the court may enter a temporary order precluding or limiting inspection of a case record if it clearly appears from specific facts shown by affidavit or other statement under oath that (A) there is a substantial basis for believing that the case record is properly subject to an order precluding or limiting inspection, and (B) immediate, substantial, and irreparable harm will result to the person seeking the relief if temporary relief is not granted before a full adversary hearing can be held on the propriety of a final order precluding or limiting inspection.

(3) A court may not enter a temporary order permitting inspection of a case record that is not otherwise subject to inspection under the Rules in this Chapter in the absence of an opportunity for a full adversary hearing.

(d) Final Order

(1) After an opportunity for a full adversary hearing, the court shall enter a final order:

(A) precluding or limiting inspection of a case record that is not otherwise shielded from inspection under the Rules in this Chapter;

(B) permitting inspection, under such conditions and limitations as the court finds necessary, of a case record that is not otherwise subject to inspection under the Rules in this Chapter; or

(C) denying the motion.

(2) A final order shall include findings regarding the interest sought to be protected by the order.

(3) A final order that precludes or limits inspection of a case record shall be as narrow as practicable in scope and duration to effectuate the interest sought to be protected by the order.

(4) In determining whether to permit or deny inspection, the court shall consider:

(A) if the motion seeks to preclude or limit inspection of a case record that is otherwise subject to inspection under the Rules in this Chapter, whether a special and compelling reason exists to preclude or limit inspection of the particular case record; and

(B) if the motion seeks to permit inspection of a case record that is otherwise not subject to inspection under the Rules in this Chapter, whether a special and compelling reason exists to permit inspection.

(C) if the motion seeks to permit inspection of a case record that has been previously sealed by court order under subsection (d) (1) (A) of this Rule and the movant was not a party to the case when the order was entered, whether the order satisfies the standards set forth in subsections (d) (2), (3), and (4) (A) of this Rule.

(5) Unless the time is extended by the court on motion of a party and for good cause, the court shall enter a final order

within 30 days after a hearing was held or waived.

(e) Filing of Order

A copy of any preliminary or final order shall be filed in the action in which the case record in question was filed and shall be subject to public inspection.

(f) Non-exclusive Remedy

This Rule does not preclude a court from exercising its authority at any time to enter an order that seals or limits inspection of a case record or that makes a case record subject to inspection.

MARYLAND RULES OF PROCEDURE

TITLE 20 - ELECTRONIC FILING AND CASE MANAGEMENT

CHAPTER 100 - GENERAL PROVISIONS

Rule 20-101. DEFINITIONS

In this Title the following definitions apply except as expressly otherwise provided or as necessary implication requires:

(a) Affected Action

"Affected action" means an action to which this Title is made applicable by Rule 20-102.

Cross reference: For the definition of an "action" see Rule 1-202.

(b) Appellate Court

"Appellate court" means the Court of Appeals or the Court of Special Appeals, whichever the context requires.

(c) Applicable County

"Applicable county" means a county listed in Rule 20-102 (a).

(d) Applicable Date

"Applicable date" for an applicable county means the date stated in Rule 20-102 (a) pertaining to that county.

(e) Business Day

"Business day" means a day that the clerk's office is open for the transaction of business. For the purpose of the Rules in this Title, a "business day" begins at 12:00.00 a.m. and ends at

11:59.59 p.m.

(f) Clerk

"Clerk" means the Clerk of the Court of Appeals, the Court of Special Appeals, or a circuit court, an administrative clerk of the District Court, and authorized assistant clerks in those offices.

(g) Concluded

An action is "concluded" when

(1) there are no pending issues, requests for relief, charges, or outstanding motions in the action or the jurisdiction of the court has ended;

(2) no future events are scheduled; and

(3) the time for appeal has expired or, if an appeal or an application for leave to appeal was filed, all appellate proceedings have ended.

Committee note: This definition applies only to the Rules in Title 20 and is not to be confused with the term "closed" that is used for other administrative purposes.

(h) Digital Signature

"Digital signature" means a secure electronic signature inserted using a process approved by the State Court Administrator that uniquely identifies the signer and ensures authenticity of the signature and that the signed document has not been altered or repudiated.

(i) Facsimile Signature

"Facsimile signature" means a scanned image or other visual representation of the signer's handwritten signature, other than

a digital signature.

(j) Filer

"Filer" means a person who is accessing the MDEC system for the purpose of filing a submission.

Committee note: The internal processing of documents filed by registered users, on the one hand, and those transmitted by judges, judicial appointees, clerks, and judicial personnel, on the other, is different. The latter are entered directly into the MDEC System, whereas the former are subject to clerk review under Rule 20-203. For purposes of these Rules, however, the term "filer" encompasses both groups.

(k) Hand-Signed or Handwritten Signature

"Hand-signed or handwritten signature" means the signer's original genuine signature on a paper document.

(l) Hyperlink

"Hyperlink" means an electronic link embedded in an electronic document that enables a reader to view the linked document.

(m) Judge

"Judge" means a judge of the Court of Appeals, Court of Special Appeals, a circuit court, or the District Court of Maryland and includes a former judge of any of those courts recalled pursuant to Code, Courts Article, §1-302 and designated to sit in one of those courts.

(n) Judicial Appointee

"Judicial appointee" means a judicial appointee, as defined in Rule 16-814.

(o) Judicial Personnel

"Judicial personnel" means an employee of the Maryland

Judiciary, even if paid by a county, who is employed in a category approved for access to the MDEC system by the State Court Administrator;

(p) MDEC or MDEC System

"MDEC" or "MDEC system" means the system of electronic filing and case management established by the Maryland Court of Appeals.

Committee note: "MDEC" is an acronym for Maryland Electronic Courts.

(q) Redact

"Redact" means to exclude information from a document accessible to the public.

(r) Registered User

"Registered user" means an individual authorized to use the MDEC system by the State Court Administrator pursuant to Rule 20-104.

(s) Restricted Information

"Restricted information" means information (1) prohibited by Rule or other law from being included in a court record, (2) required by Rule or other law to be redacted from a court record, (3) placed under seal by a court order, or (4) otherwise required to be excluded from the court record by court order.

Cross reference: See Rule 1-322.1 (Exclusion of Personal Identifier Information in Court Filings) and the Rules in Title 16, Chapter 1000 (Access to Court Records).

(t) Scan

"Scan" means to convert printed text or images to an

electronic format compatible with MDEC.

(u) Submission

"Submission" means a pleading or other document filed in an action. "Submission" does not include an item offered or admitted into evidence in open court.

Cross reference: See Rule 20-402.

(v) Tangible Item

"Tangible item" means an item that is not required to be filed electronically. A tangible item by itself is not a submission; it may either accompany a submission or be offered in open court.

Cross reference: See Rule 20-106 (c) (2) for items not required to be filed electronically.

Committee note: Examples of tangible items include an item of physical evidence, an oversize document, and a document that cannot be legibly scanned or would otherwise be incomprehensible if converted to electronic form.

(w) Trial Court

"Trial court" means the District Court of Maryland and a circuit court, even when the circuit court is acting in an appellate capacity.

Committee note: "Trial court" does not include an orphans' court, even when, as in Harford and Montgomery Counties, a judge of the circuit court is sitting as a judge of the orphans' court.

(x) Typographical Signature

"Typographical signature" means the symbol "/s/" affixed to the signature line of a submission above the typed name, address, e-mail address, and telephone number of the signer.

(1) Applicable Counties and Dates

(A) Anne Arundel County is an applicable county from and after [date to be set by further Order of the Court of Appeals].

(B) There are no other applicable counties.

(A) New Actions and Submissions

On and after the applicable date, this Title applies to (i) new actions filed in a trial court for an applicable county, (ii) new submissions in actions then pending in that court, (iii) new submissions in actions in that court that were concluded as of the applicable date but were reopened on or after that date, (iv) new submissions in actions remanded to that court by a higher court or the United States District Court, and (v) new submissions in actions transferred or removed to that court.

Any such order shall include provisions to ensure that converted documents comply with the redaction provisions applicable to new submissions.

(b) Appellate Courts

This Title applies to appeals and other proceedings in the Court of Special Appeals or Court of Appeals seeking the review of a judgment or order entered in any action to which section (a) of this Rule applies. If so ordered by the Court of Appeals in a particular matter or action, the Title also applies to (1) a question certified to the Court of Appeals pursuant to the Maryland Uniform Certification of Questions of Law Act, Code, Courts Article, §§12-601 - 12-613; and (2) an original action in the Court of Appeals allowed by law.

(c) Applicability of Other Rules

Except to the extent of any inconsistency with the Rules in this Title, all of the other applicable Maryland Rules continue to apply. To the extent there is any inconsistency, the Rules in

this Title prevail.

TITLE 20 - ELECTRONIC FILING AND CASE MANAGEMENT

CHAPTER 100 - GENERAL PROVISIONS

Rule 20-104. USER REGISTRATION

(a) Eligibility

Any individual may apply to become a registered user in accordance with this Rule.

(b) On-line Application

An individual seeking to become a registered user shall complete an on-line application in the form prescribed by the State Court Administrator. The form shall include an agreement by the applicant to comply with MDEC policies and procedures and the Rules in this Title and a statement as to whether the applicant is an attorney and, if so, is a member of the Maryland Bar in good standing.

(c) Identification Number, Username, and Password

Upon successful completion of the registration process in accordance with section (b) of this Rule and any verification that the State Court Administrator may require, the individual becomes a registered user. The State Court Administrator shall issue to the registered user a unique user identification number, a username, and a password, which together shall entitle the registered user to file submissions electronically in an affected action to which the registered user is a party or is otherwise

entitled to file the submission and have the access provided by Rule 20-109. The registered user may not change the unique identification number issued by the State Court Administrator but may change the assigned username and password in conformance with the policies and procedures published by the State Court Administrator.

(d) Effect of Registration

By registering with the State Court Administrator as a registered user, an individual agrees to comply with the Rules in this Title and the MDEC policies and procedures established and published by the State Court Administrator.

(e) Multiple User Identification Numbers Prohibited

(1) Cancellation of User Registration

A registered user may not have more than one user identification number at a time. If the State Court Administrator believes that an individual has more than one user identification number, the State Court Administrator shall notify the individual, at the individual's most recent e-mail address provided to the State Court Administrator, that all of the individual's identification numbers will be cancelled unless the individual shows good cause to the contrary within 30 days after the date of the notice. If the individual fails to make that showing, the State Court Administrator shall cancel all of the individual's identification numbers and revoke the user's registration. The individual may seek review of the State Court Administrator's action pursuant to the Rules in Title 7, Chapter

200 of the Maryland Rules.

(2) Re-application for User Registration

An individual whose user registration has been cancelled may reapply for user registration, but the State Court Administrator may reject the application unless reasonably satisfied that the individual will comply with the Rules in this Title and with all policies and procedures adopted by the State Court Administrator.

(f) Revocation, Suspension, Reinstatement of Attorney User Registration

(1) Duty of Clerk of Court of Appeals

The Clerk of the Court of Appeals shall promptly notify the State Court Administrator of each attorney (A) who, by order of the Court, becomes disbarred, suspended, placed on inactive status, or decertified or who has resigned from the Maryland Bar or (B) who, following a disbarment, suspension, placement on inactive status, decertification, or resignation, has been reinstated to the practice of law in Maryland.

(2) Duty of State Court Administrator

Promptly upon receipt of such notice, the State Court Administrator shall (A) revoke the user registration of each attorney who has been disbarred or placed in inactive status or who has resigned, (B) suspend the user registration of each attorney who has been suspended or decertified, (C) reinstate the user registration of an attorney who has been reinstated, and (D) take any necessary steps to be reasonably satisfied that the MDEC

system does not accept any electronic filings from an attorney whose user registration has been revoked or suspended and not reinstated.

(3) Further Submissions

An attorney whose registration has been suspended or revoked under this section shall file any submissions required by the Rules of Professional Conduct in paper form.

(4) Application for User Registration as a Non-attorney

An attorney whose user registration has been suspended or revoked under this section may apply for user registration as a non-attorney. The State Court Administrator may reject the application unless reasonably satisfied that the individual will comply with the Rules in this Title and with all policies and procedures adopted by the State Court Administrator.

MARYLAND RULES OF PROCEDURE

TITLE 20 - ELECTRONIC FILING AND CASE MANAGEMENT

CHAPTER 100 - GENERAL PROVISIONS

Rule 20-105. JUDGES; JUDICIAL APPOINTEES; CLERKS; JUDICIAL PERSONNEL

(a) Assignment of Username and Password

The State Court Administrator shall assign to each judge, judicial appointee, clerk, and judicial personnel a username and password that will allow the judge, judicial appointee, clerk, or judicial personnel to access the MDEC System to the extent necessary to the performance of his or her official duties.

Committee note: The access permitted under section (a) of this Rule is limited to that necessary to the performance of official duties. A judicial official or employee who desires access for personal reasons, such as to file submissions as a self-represented litigant, must become a registered user and proceed as such.

(b) Revocation

Upon notice that a judge, judicial appointee, clerk, or judicial personnel has retired, resigned, or otherwise left office and, as a result, is no longer entitled to access the MDEC System under this Rule, the State Court Administrator shall revoke the individual's username and password, terminate the right of access allowed thereby, and inform the judge, judicial appointee, clerk or judicial personnel of the right to apply for user registration under Rule 20-104.

MARYLAND RULES OF PROCEDURE

TITLE 20 - ELECTRONIC FILING AND CASE MANAGEMENT

CHAPTER 100 - GENERAL PROVISIONS

Rule 20-106. WHEN ELECTRONIC FILING REQUIRED; EXCEPTIONS

(a) Filers - Generally

(1) Attorneys

Except as otherwise provided in section (b) of this Rule, an attorney who enters an appearance in an affected action shall file electronically the attorney's entry of appearance and all subsequent submissions in the affected action.

(2) Judges, Judicial Appointees, Clerks, and Judicial Personnel

Except as otherwise provided in section (b) of this Rule, judges, judicial appointees, clerks, and judicial personnel, shall file electronically all submissions in an affected action.

(3) Self-represented Litigants

(A) Except as otherwise provided in section (b) of this Rule, a self-represented litigant in an affected action who is a registered user shall file electronically all submissions in the affected action.

(B) A self-represented litigant in an affected action who is not a registered user may not file submissions electronically.

(4) Other Persons

Except as otherwise provided in the Rules in this Title,

a registered user who is required or permitted to file a submission in an affected action shall file the submission electronically. A person who is not a registered user shall file a submission in paper form.

Committee note: Examples of persons included under subsection (a) (4) of this Rule are government agencies or other persons who are not parties to the affected action but are required or permitted by law or court order to file a record, report, or other submission with the court in the action and a person filing a motion to intervene in an affected action.

(b) Exceptions

(1) MDEC System Outage

Registered users, judges, judicial appointees, clerks, and judicial personnel are excused from the requirement of filing submissions electronically during an MDEC system outage in accordance with Rule 20-501.

(2) Other Unexpected Event

If an unexpected event other than an MDEC system outage prevents a registered user, judge, judicial appointee, clerk, or judicial personnel from filing submissions electronically, the registered user, judge, judicial appointee, clerk, or judicial personnel may file submissions in paper form until the ability to file electronically is restored. With each submission filed in paper form, a registered user shall submit to the clerk an affidavit describing the event that prevents the registered user from filing the submission electronically and when, to the registered user's best knowledge, information, and belief, the ability to file electronically will be restored.

Committee note: This subsection is intended to apply to events such as an unexpected loss of power, a computer failure, or other unexpected event that prevents the filer from using the equipment necessary to effect an electronic filing.

(3) Other Good Cause

For other good cause shown, the administrative judge having direct administrative supervision over the court in which an affected action is pending may permit a registered user, on a temporary basis, to file submissions in paper form. Satisfactory proof that, due to circumstances beyond the registered user's control, the registered user is temporarily unable to file submissions electronically shall constitute good cause.

(c) Submissions

(1) Generally

Except as otherwise provided in subsection (c)(2) of this Rule, the requirement of electronic filing in section (a) applies to all submissions that are capable of being converted into electronic format and that, in electronic form, may be converted into a legible paper document.

(2) Exceptions

Except with court approval, the following submissions shall not be filed electronically:

(A) A single document comprising more than 300 pages;

Committee note: A single document comprising more than 300 pages may be submitted electronically by dividing the document into shorter segments.

(B) Oversized documents, such as blueprints, maps, and plats;

(C) Documents offered as evidence in open court at a trial or other judicial proceeding pursuant to Rule 20-402;

(D) An item that is impracticable to be filed electronically because of the item's physical characteristics; and

(E) Any other category of submissions that the State Court Administrator exempts from the requirement of electronic filing.

(3) Required Retention of Certain Original Documents

Original wills and codicils, property instruments that have been or are subject to being recorded, and original public records, such as birth certificates, that contain an official seal may be scanned and filed electronically so long as the original document is maintained by the filer pursuant to Rule 20-302.

Cross reference: See Rule 20-204, which requires a registered user to file a "Notice of Filing Tangible Item" under certain circumstances.

(d) Paper Submissions

(1) Compliance with MDEC Rules

A paper submission shall comply with Rule 20-201 (f) and (i). If applicable, a paper submission also shall comply with Rule 20-201 (g).

(2) Review by Clerk; Scanning

(A) Except as provided in subsection (d) (2) (B) of this Rule, upon receipt of a submission in paper form, the clerk shall review the submission for compliance with Rule 20-201 (d), (e), (f) (1) (B), and (i). If the submission is in compliance, the

clerk shall scan it into the MDEC system, verify that the electronic version of the submission is legible, and docket the submission. If the submission is not in compliance, the clerk shall decline to scan it and promptly notify the filer in person or by first class mail that the submission was rejected and the reason for the rejection.

Committee note: The clerk's pre-scanning review is a ministerial function, limited to ascertaining whether any required fee has been paid (Rule 20-201 (i)) and the presence of the filer's signature (Rule 20-201 (d)); a certificate of service if one is required (Rule 20-201 (e)); and a certificate as to the absence or redaction of restricted information (Rule 20-201 (f)(1)(B)).

(B) Upon receipt of a submission in paper form that is required by the Rules in this Title to be filed electronically, the clerk shall (i) decline to scan the submission, (ii) notify the filer electronically that the submission was rejected because it was required to be filed electronically, and (iii) enter on the docket that the submission was received and that it was not entered into the MDEC system because of non-compliance with Rule 20-106. The filer may seek review of the clerk's action by filing a motion with the administrative judge having direct administrative supervision over the court.

Committee note: Subsection (d)(2)(B) of this Rule is necessary to enforce the electronic filing requirement of Rule 20-106. It is intended to be used only when it is clear that the filer is a registered user who is required to file submissions electronically and that none of the exceptions in sections (b) or (c) of this Rule appear to be applicable.

(3) Destruction of Paper Submission

Subject to subsections (d)(4) and (e)(2) of this Rule, the clerk may destroy a paper submission after scanning it and

verifying the legibility of the electronic version of it.

(4) Optional Return of Paper Document

The State Court Administrator may approve procedures for identifying and, where feasible, returning paper documents that must be preserved in their original form.

(5) Public Notice

Prior to the date specified in Rule 20-102 (a) (1) (A), the State Court Administrator shall provide public notice alerting the public to the procedure set forth in subsections (d) (2), (3), and (4) of this Rule.

Committee note: If submissions properly filed in paper form are to be destroyed by the clerk following their being scanned into MDEC, the public must be given reasonable notice of that policy. Notice may be given in a variety of ways, including on the Judiciary website, on on-line and pre-printed forms prepared by the Judiciary, on summonses or other notices issued by the clerks, and by postings in the clerks' offices.

(e) Exhibits and Other Documents Offered in Open Court

(1) Generally

Unless otherwise approved by the court, a document offered into evidence or otherwise for inclusion in the record in open court shall be offered in paper form. If the document is offered as an exhibit, it shall be appropriately marked.

Committee note: Examples of documents other than exhibits offered for inclusion in the record are written motions made in open court, proposed voir dire questions, proposed jury instructions, communications from a jury, and special verdict sheets.

(2) Scanning and Return of Document

As soon as practicable, the clerk shall scan the document into the MDEC system and return the document to the party who offered it at the conclusion of the proceeding, unless the court orders otherwise. If immediate scanning is not feasible, the clerk shall scan the document as soon as practicable and notify the person who offered it when and where the document may be retrieved.

MARYLAND RULES OF PROCEDURE

TITLE 20 - ELECTRONIC FILING AND CASE MANAGEMENT

CHAPTER 100 - GENERAL PROVISIONS

Rule 20-107. ELECTRONIC SIGNATURES

(a) Signature by Filer; Generally

Subject to sections (b), (c), (d), and (e) of this Rule, when a filer is required to sign a submission, the filer shall electronically sign the submission by inserting a (1) facsimile signature or (2) typographical signature. The filer shall insert the electronic signature above the filer's typed name, address, e-mail address, and telephone number. An electronic signature on an electronically filed submission constitutes and has the same force and effect as a signature required under Rule 1-311.

(b) Signature by Judge or Judicial Appointee

A judge or judicial appointee shall sign a submission electronically by (1) personally affixing the judge's or judicial appointee's digital signature or (2) hand-signing a paper version of the submission and scanning or directing an assistant to scan the hand-signed submission to convert the handwritten signature to a facsimile signature in preparation for electronic filing.

Cross reference: For delegation by an attorney, judge, or judicial appointee to file a signed submission, see Rule 20-108.

(c) Signature by Clerk

When a clerk is required to sign a submission electronically, the clerk's signature shall be a digital

signature or a facsimile signature.

(d) Multiple Signatures on a Single Document

When the signature of more than one person is required on a document, the filer shall (1) confirm that the content of the document is acceptable to all signers; (2) obtain the handwritten, facsimile, or digital signatures of all signers; and (3) file the document electronically, indicating the signers in the same manner as the filer's signature. Filers other than judges, judicial appointees, clerks, and judicial personnel shall retain the signed document until the action is concluded.

(e) Signature Under Oath, Affirmation, or With Verification

When a person is required to sign a document under oath, affirmation, or with verification, the signer shall hand-sign the document. The filer shall scan the hand-signed document, converting the signer's handwritten signature to a facsimile signature, and file the scanned document electronically. The filer shall retain the original hand-signed document until the action is concluded or for such longer period ordered by the court. At any time prior to the conclusion of the action, the court may order the filer to produce the original hand-signed document.

(f) Verified Submissions

When a submission is verified or attaches a document under oath, the electronic signature of the filer constitutes a certification by the filer that (1) the filer has read the entire document; (2) the filer has not altered, or authorized the

alteration of, the text of the verified material; and (3) the filer has either personally filed the submission or has authorized a designated assistant to file the submission on the filer's behalf pursuant to Rule 20-108.
