- Question:** Can we provide 43" or 49" monitors or is 46" the required size (46" are available but are less prevalent and move us to an outdoor rated monitor which carries a higher cost)

Response: We will accept larger (49") units for the locations that has the space to accommodate them; but for the smaller courthouses we will want to stay with the 46" or go to the 43".
- Question:** Can you let us know how Tyler Odyssey outputs files? Or, how does it store files?

Response: Tyler Odyssey outputs a flat file.
