**Subject:** Additional Slots Opened for CONNECT Hands-On Workshops

Hello CONNECTors:

We want to let you know that additional slots are now available in each of the Hands-On Workshop sessions. Each session will be able to accommodate up to 12 participants.

Below is the link to register through Sign-Up Genius. **Registration is required.** All sessions will be at the JECC in Computer Room A on the lower level.

Structured as a “practice lab” format, these workshops will provide an opportunity to work directly with an instructors on specific areas that are a challenge for you.

Please remember, you ***must have completed some form of training*** on the particular topic you would like to cover. People who appear to have not completed training pertaining to their questions will be asked to return after they have done so.

Please contact us at [connect@mdcourts.gov](mailto:connect@mdcourts.gov) if you have any questions or challenges.

Thanks,  
The CONNECT Team
