

FREDERICK COUNTY COURTHOUSE COVID SCREENING PROCESS FOR JURORS

Persons entering the courthouse are required, under current court order, to submit to health screening for COVID-19. An online form may be completed and submitted for each day of your entry into the facility as a juror. A new form must be submitted for each day you enter the facility. Please follow the process outlined below:

1. Scan the QR code or use the web address to access the form and complete it on the day you are scheduled to report. The form must be completed on any same day you are reporting.
2. Upon arrival at the courthouse, provide your name and inform the screener that you completed an online form.
3. Please note the following:
 - Verification will be made that an online form was completed.
 - If you answer "YES" to any of the screening questions, or if you have a fever, you may not use the form and you must follow the procedure for being screened in person or follow other court protocol for notifying the court of a COVID-19 health concern.
 - A new form MUST be completed for each day you are required to report for jury duty.
4. The link in the QR code can be saved to your phone or device.
