INSTRUCTIONS-MODIFIED MARRIAGE APPLICATION PROCESS – COVID-19

A Maryland Marriage License can be used- and a marriage ceremony can take place – Only in the county where the marriage license is issued. The license must be obtained and presented to the official/officiant who will be performing the marriage ceremony before the marriage ceremony can take place. It is the responsibility of the parties to know the Maryland county in which the ceremony venue is located, and to obtain the marriage license from the Clerk of Circuit Court for that county or, if in Baltimore City, the Clerk of the Circuit Court for Baltimore City.

The instructions below are for obtaining a marriage license in Calvert Co., Maryland ONLY. If Calvert Co. is not where the marriage ceremony will take place, please visit the website for the Clerk of Circuit Court in the appropriate county for instructions and payment information.

Attach an additional sheet if there is not enough room on the form for this information. For marriages dissolved by divorce or annulment, please provide the date the clerk entered the final decree, which should appear as a stamp on the final order. For example, if a parent or guardian is providing consent, a Consent of Parent or Guardian Form must be completed and signed by the parent or guardian and witnessed by a Notary Public. Additional information (e.g.: birth certificate, guardianship order) may be required as proof that the consenting person is in fact a parent or guardian of the minor party. Therefore, please contact the Clerk of Circuit Court in advance to find out what additional documentation, if any, will be required.
5. Sign and date the application. Provide a daytime phone number and email address in case we need to contact you.

Mailing address is Clerk of the Circuit Court, 175 Main Street, Prince Frederick, Md. 20678. It is recommended that applicant(s) complete and mail the application at least three
...weeks before the wedding date to allow time for delivery by the US Post Office and for resolution of any problems with the application.

9. Once the application is processed, the Clerk will mail the marriage license to the applicant. Applicants are discouraged from picking up the license at the Clerk’s Office.
