MURDER

Note: All first-degree murder should be charged under CR 2-201. The language used is authorized by CR 5-202. Felony-murder, as defined by CR 2-201 should be charged under 2-201. Degrees of the crime were unknown to the common law. Accordingly, these sections do not create new offenses, but merely serve the purpose of classifying the acts which they respectively proscribe as species of murder in the first degree, and mitigate the punishment in cases of the second degree. As to felony-murder, the fact that the accused was committing a felony creates proof of malice and premeditation sufficient to sustain a conviction for first-degree murder for any killing consequent to the felony.

There is no requirement that the State charge and convict upon the underlying felony in order to sustain a felony-murder conviction.

CR 2-201 includes as first-degree murder any killing consequent to an arson or attempted arson of a dwelling or adjoining building .

CR 2-201 includes as first-degree felony murder any killing consequent to the burning or attempted burning of any barn, tobacco house, stable, warehouse, or other outhouse not parcel of any dwelling.

CR -2-201 includes as first-degree felony murder any killing consequent to the commission or attempted commission of any of the following crimes:

arson in the first degree; burning an outbuilding as described in CR 2-204(a)(ii);

rape in any degree;

sexual offense in the first or second degree;

sodomy;

mayhem;

robbery under CR 3-402 & 3-403;

carjacking or armed carjacking;

burglary in the first, second, or third degree;

kidnapping as defined in CR 3-502 & CR 3-503(a)(2);

Escape in the first degree or attempted escape in the first degree from a State Correctional Facility or Local Correctional Facility or Violation of CR 4-503 concerning destructive devices.

All of these should be charged under CR 2-201.

3. First Degree Sex Offense CR 3-305 (As it existed before its repeal on 9-30-17).

4. Second Degree Sex Offense CR 3-306 (As it existed before its repeal on 9-30-17).

AND if:

1) the victim of the above crime is under the age of 16 years,

AND if:

2) the defendant is also charged IN THE SAME PROCEEDING with a violation of CR 3-503, Kidnap-Child Under 16; the defendant MAY be eligible for the enhanced penalty of a life sentence without the possibility of parole.

The enhanced penalty cannot apply until the State's Attorney serves a notice of intent to seek it, which must be done at least 30 days prior to trial. Therefore, Commissioners are not normally presented with this situation at the initial appearance. Life without possibility of parole if victim was child under the age of 16 or defendant was previously convicted of violation, this article with the victim being under the age of 16 or Section 3-305 of this article (as it existed before its repeal on 9-30-2017) or

In addition to the above: If the defendant is 18 years old or older and the victim is a child under the age of 13, the State may file intent to seek imposition of mandatory minimum term of imprisonment. A court may not suspend any part of the mandatory minimum sentence.

However, Commissioners should be aware that if the Statement of Probable Cause indicates that all of the conditions listed above are present, the defendant may face the enhanced penalty later in the proceedings. Where appropriate, Commissioners may consider this factor in their determination of pre-trial release.

IN THE EVENT that the initial appearance is conducted upon a District or Circuit Court Warrant to which a copy of the Notice to Defendant of the State's Election to seek a Life Sentence Without the Possibility of Parole is attached, or to which other indication is attached that shows the State's Attorney has decided to seek the enhanced penalty, the Commissioner should place the Defendant on NO BAIL pending the bail review, and retain a copy of the notice or letter in the Court folder.

...did [forcibly/fraudulently] steal, take, and carry away _____
 (name of victim), a child under the age of 16.

NOTE: A parent of the victim may not be charged under this section. See CR 3-503.

NOTE: Aiders, abettors, and counselors are charged as principals.

NOTE: A defendant charged with this crime is eligible for a maximum of 30 years, as noted. However, if the defendant is also charged in the same proceeding with a violation of CR 3-303 through CR 3-306 (First and Second Degree Rape and Sexual Offense), and if the victim of the sexual charge is also under the age of 16, the defendant may be eligible for a penalty of a life sentence without the possibility of parole, if the State's Attorney so elects. There is no requirement that the victim of both crimes be the same, but if not, both victims must be under 16, and charged against the defendant in the same proceeding. If so, the defendant is not eligible for the life sentence without parole until the State's Attorney serves written notice upon the defendant, at least 30 days prior to trial, that the State is seeking that penalty.

Note to Commissioners: Since the enhanced penalty of life without the possibility of parole does not attach as a possibility unless both crimes are charged, involving a victim or victims under 16, in the same proceeding, the initial appearance should be conducted normally. If the Statement of Probable cause indicates that the factual situation applies, but the required notice from the State's Attorney has not been served, this may be a consideration in your determination as to pre-trial release.

IN THE EVENT that the initial appearance is conducted upon a District or Circuit Court Warrant to which a copy of the Notice to Defendant of the State's election to seek a Life Sentence Without the Possibility of Parole is attached, or to which other indication is attached that shows the State's Attorney has decided to seek the enhanced penalty, the Commissioner should place the Defendant on NO BAIL pending the bail review, and retain a copy of the notice or letter in the Court folder.

CHILD ABUSE

NOTE: The following notes apply to all Child abuse charges under this heading.

NOTE: 1. Child means any individual under the age of 18 years.

2. Abuse means the sustaining of physical injury by a child as a result of cruel or inhumane treatment or as a result of a malicious act by any parent or other person who has permanent or temporary care or custody or responsibility for supervision of a child, or by any household or family member, under circumstances that indicate that the child's health or welfare is harmed or threatened by the treatment or act.

3. Sexual abuse means any act that involves sexual molestation or exploitation of a child; whether physical injuries are sustained or not, by a parent or other person who has permanent or temporary care or custody or responsibility for supervision of a child, or by any household or family member.

Sexual abuse includes, but is not limited to incest, rape, or sexual offense in any degree; sodomy and unnatural or perverted sexual practices.

4. Family member means a relative of a child by blood, adoption, or marriage.

5. Household member means a person who lives with, or is a regular presence in, a home of a child at the time of the alleged abuse.

NOTE: A parent should always be charged under Child Abuse: Parent, or Child Abuse: Par-Res Death (if the victim died as a result of the abuse) because of the legal responsibilities of a parent to his or her child.

A family or household member other than the parent or legal guardian should always be charged, using the appropriate wording, under Child Abuse: Parent, or Child Abuse: Par-Res Death,

UNLESS THE FAMILY OR HOUSEHOLD MEMBER HAS BEEN LEFT IN TEMPORARY CARE, CUSTODY, AND CONTROL OF THE VICTIM (for instance, as a baby-sitter). In that event, Child Abuse: Custodian, or Child Abuse: Cust-Res Death should be used along with the word temporary.

A legal guardian should be charged under the appropriate custodian section using the word permanent.

For purposes of this section, there is no difference between an adoptive parent and a natural parent.

NOTE: For the purposes of this section, judicial construction has defined cruel and inhumane treatment by a parent or custodian (but not by a family or household member) to include a failure ...to provide necessary medical care... if that failure was due to negligence and if it resulted in serious physical injury or death. This includes a situation where the child had already suffered injury and ...as a result... the child suffered bodily harm additional to that initially sustained as a consequence of the injury originally inflicted upon him. ****MACH GUN AGGRESSIVE PURPOSE****

...did possess and use a machine gun, to wit: ____ (describe weapon), for an aggressive and offensive purpose (choose appropriate wording below):

1. in that the said machine gun was not registered as required by CR 4-403 of the Annotated Code of Maryland;
2. in that the said machine gun was on premises not owned or rented by the defendant;
3. in that shells for the said machine gun were found in the immediate vicinity of the said machine gun (see note below);
4. in that the said machine gun was in the possession of an unnaturalized foreign-born person, to wit: ____ (name);
5. in that the said machine gun was in the possession of defendant, who had been previously convicted of a crime of violence, to wit: ____ (name crime);

NOTE: See CR 4-402(b) for exceptions.

NOTE: There is no precise definition of "aggressive" or "offensive" purpose in the statute. In CR 4-405, a machine gun is presumed to be possessed for such a purpose under certain circumstances. These are presented in the first five choices in the above charge. If the machine gun was possessed or used in a crime of violence as defined in CR 4-401, the defendant should be charged under CR 4-404. If the machine gun was possessed or used in the perpetration of any other crime or attempted crime, the defendant should be charged under CR 4-405.

NOTE: Under CR 4-405, if the machine gun was found in close proximity to shells, it does not matter whether the shells were empty or loaded as long as they could be used in that machine gun.

DESTRUCTIVE DEVICES

NOTE: The Acts of 1997 revised the laws on explosives to consolidate the law on this subject and to ensure that the creation of any device intended to cause damage to property or injury to persons by way of explosion, fire, or poison is covered by the law. This revision does not prohibit or regulate any materials that are currently legal and commonly used in households and in business. This subheading would apply to such materials only when they are intentionally combined with a delivery system so as to create a destructive capacity for which they were never intended. Items that have legitimate uses become subject to the provisions of this subheading when a person uses them for a criminal purpose.

NOTE TO COMMISSIONERS:

In all except employee situations (see below), there are two ways to violate CR 8-103 by issuing a bad check or by passing a bad check. There are also two ways for a check to be bad, insufficient funds (NSF) or a deliberate stop payment order.

The person that wrote a bad check is called the "Drawer." When he or his representative gives that check to another to obtain goods, services, or money, that check has been ISSUED. Choose the appropriate wording under BD CK/ISSUE, depending upon the value of the check and whether it was refused by the bank for NSF or because of a stop payment order. PERJURY

General Note: In all of the following sections where the selection between oath and affirmation is offered, an oath is a swearing, by whatever form. An affirmation is used by Quakers and other persons who have conscientious scruples against taking an oath, who are therefore allowed to make affirmation in any mode which they may declare to be binding upon their conscience. Commissioners should generally use the word "oath" unless clearly otherwise indicated. In any instance in which the affidavit or transcript says "swear and affirm," or words to that effect, Commissioners may use the words "oath and affirmation" or "affidavit and affirmation." without having to choose between the two unless otherwise clearly indicated.

If the drugs are illegal controlled dangerous substances, they should be identified by name and schedule. If they are legal prescription drugs which, taken in combination with other drugs or alcohol rendered the defendant unsafe to operate a vessel, they should be identified by name. It is not a defense to this statute that the drug or drugs were legally prescribed unless the defendant was unaware that the drug or combination would make him or her incapable of safely operating a vessel. If the defendant alleges that he or she was unaware of this, you should not take this into account in establishing probable cause, as this is an affirmative defense which must be established at trial.
